

# Dreaming of starting your own business? You are in the right place.

## **START NOW**

# Hello and welcome! Do you know what are the steps you have to go through in order to start a business? Press the arrow to start.

I got this. Skip.

You are here, you have and idea and you want to start a business. What is the next step?

You want to register? Press Sign-up and use your Nem-ID to log-in.

Now your Virk profile is

ready. Now you have to

wait for your CVR.

CVR - what is this?

Accept the conditions.

C O

Meet the Buiz Bot. It is a robot that will help you complete your profile.

Once you decided which kind of business you want,

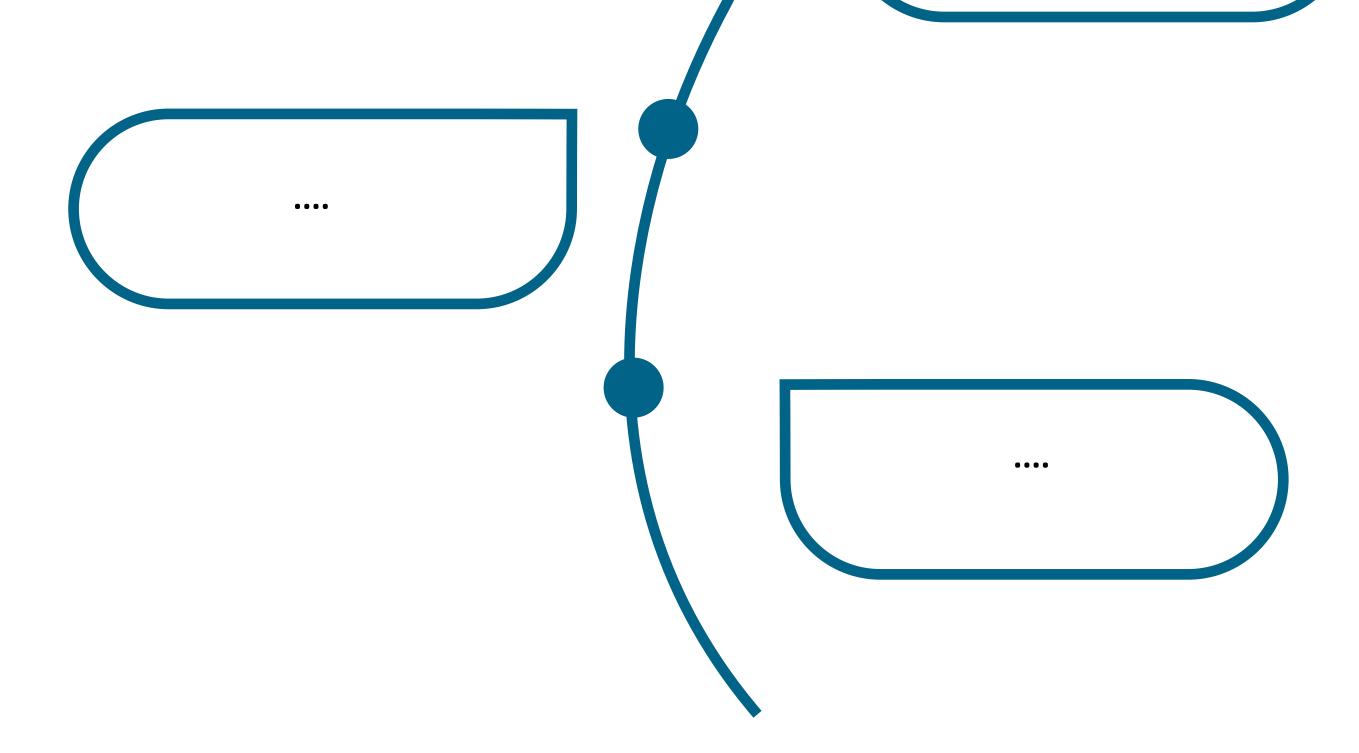

you can go further.

Which are the types of business?

On your profile you can find more information about the next steps of the process.

You receive a notification when your CVR application has been processed.

> After you received your CVR you should open a bank account

Now that you know more about the steps you need to go through in order to start your business.

I want to read in more detail about it.
